DEVELOPER (TRANSFEROR)

Anissh, CTO - Tradecode

anish.cto@tradecode.ac.in | +91 9153975600

CLIENT (TRANSFeree)

Yogartha

Date: June 24, 2026

1. Project Acceptance

- The Client has reviewed the live website and tested the administrative panel.
- The project ("Yogartha Website & Admin Panel") has been completed in accordance with the agreed-upon requirements.
- The Client is fully satisfied with the final deliverables and accepts the website "as-is".

2. Payment Terms

The Client agrees to pay the final invoice amount of **₹19,000**. The Intellectual Property transfer described below is strictly contingent upon the full receipt of this payment.

3. Intellectual Property (IP) Transfer

Upon receipt of the full payment, **Tradecode** permanently transfers all copyrights, design rights, and ownership of the custom code written for the Yogartha website to the Client.

4. Post-Launch Warranty

Tradecode provides a **14-day warranty** starting from the date of final handover. During this period, any critical technical bugs in the original code will be fixed free of charge.

- *This warranty does not cover issues caused by the Client directly altering the Firebase rules, deleting GitHub files, or changing third-party API configurations without consultation.*
- *Any new features, layout changes, or additional pages requested after the signing of this document will be subject to new billing terms.*
